

Repair Network

Keep more money in your pocket. Talk to an ICBC Repair Network glass facility about repairing your windshield today.

- **More environmentally friendly:** Your repair keeps your windshield out of the landfill.
 - **Available as often as needed:** As long as the chip is repairable, you can get as many repairs as you need over your policy term.
 - **Faster than replacement:** Trained technicians can get repairs done using high quality materials in as little as an hour.
 - **Free:** Your repair comes at no cost to you (you won't even pay a deductible) and with no impact on future claims.
- If you have ICBC Comprehensive coverage, qualifying chip repairs are:

A chip in your windshield may seem like a small issue, but time (and one wrong bump) can quickly turn it into a big problem if left for too long. Instead of getting a lengthy and more costly replacement, check if your windshield can be quickly repaired first!

Windshield chip? Save time and money with a repair

Windshield chip? Save time and money with a repair

A chip in your windshield may seem like a small issue, but time (and one wrong bump) can quickly turn it into a big problem if left for too long. Instead of getting a lengthy and more costly replacement, check if your windshield can be quickly repaired first!
