

June 25, 2026

Hello Everyone,

Last year, we announced our second multi-year rate framework for Glass Repair Program Participants with a labour rate increase of approximately 6% over three years.

Effective July 1, 2026, Participants will receive a 2% labour rate increase as part of year two of the framework. The new labour rate applies to estimates submitted for payment on or after July 1, 2026.

The new labour rates are as follows:

Description	Current rate	New Rate (as of July 1, 2026)
Labour rate	\$60.22	\$61.42
Development labour rate	\$56.34	\$57.47

The increase in labour rate is designed to help address rising cost pressures faced by industry, while delivering on our commitment to keeping keep rates affordable for British Columbians.

Glass material rates are currently under review. We will share additional details as they become available.
